

# Specify 2024

## PROGRAM SYLLABUS

Each week, I will give you my top recommendations for materials in the category we are covering, I will cover the construction details that are often missed in that category, and I will give you a worksheet so that you can communicate your decision to your contractor with all the details they will need for accurate pricing, ordering, and installing.

### Week 1: Surfaces

This includes Countertops, Flooring, Tile, Paint, & Wallpaper

### Week 2: Appliances

This includes Kitchen Appliance Options

### Week 3: Cabinetry

This includes Kitchen Layout, Bathroom Layout, Cabinet Construction, Door Style, Finish, and Hardware.

### Week 4: Electrical

This includes Lighting, Power Locations, and Switching

### Week 5: Plumbing

This Includes Sinks, Faucets, Showers, Bathtubs, Toilets, and Glass Enclosures.

### Week 6: Finish Carpentry

This includes Millwork, Doors, Door Hardware, and Railings
